

Dear Parents,

This fall we begin the ninth year of the "Birthday Cake Project" in order to raise funds for the national philanthropy of Kiwanis and Key Clubs. This project has been extremely successful throughout the past years! We hold several bake sales throughout the year to raise money for supplies. As a result, 100% of the money collected goes to the philanthropy.

For \$10.00, you can order a birthday cake, large enough to share. This cake will be delivered to your child's lunch table (cakes can be ordered for other occasions as well!) Checks can be made out to Key Club. **The sale, however, is only available for students in the high school.** All cakes will be chocolate with white frosting. If you would like a change in the cake, specify below. Cakes should be ordered **two weeks before** their delivery date (at the latest!). Feel free to call Garrett Sauey with any questions at: (440)-338-3893.

To order one, send you money with the following form to the address below.

**Mail orders to:** Garrett Sauey
